1. Introduction

REI QuiContract allows you to order and receive sale contract documents online. It's simple. Go to reiquicontract.com.au to register, and then sign in on your smartphone, tablet or laptop to order anywhere and at any time.

2. Register to use REI QuiContract

Our registration form is simple to complete. Credit card details are required at registration, but:

- you will always be shown (and must approve) costs before a card is debited,

- a contract document order commences with a title search which will be debited from the registered card for a cost of \$10 per title, and
- the balance of the contract order cost can be debited either from your client's card or (at your election) the registered card.

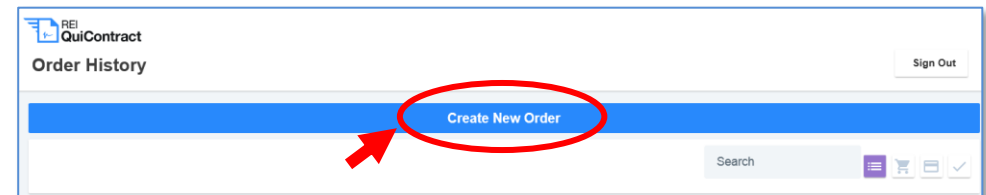

3. Sign in

3.1 Sign into REI QuiContract

When you sign in, enter your registered email address and password and click 

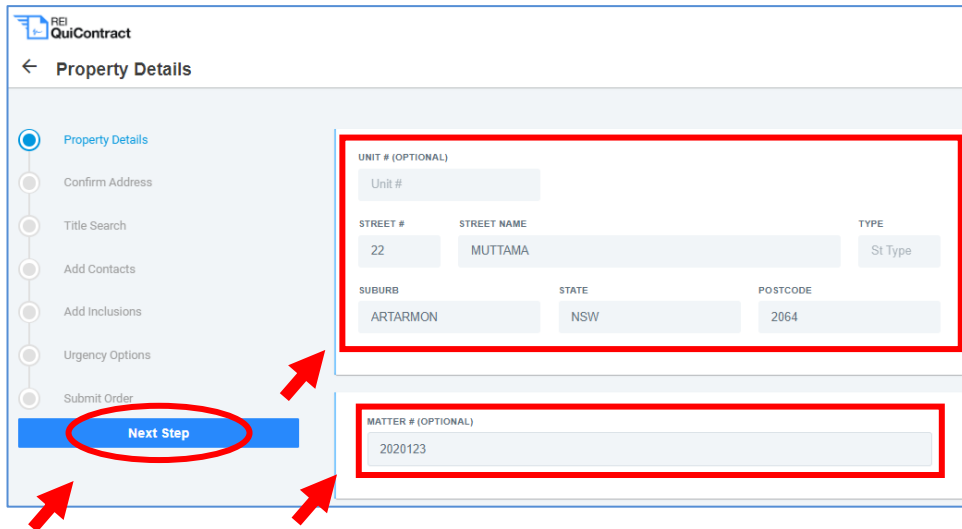

This will take you to the Order History page where you can commence a new order by clicking 

4. Order a title search

4.1 Enter the property address

We start with an address search (and don't charge you for this!)

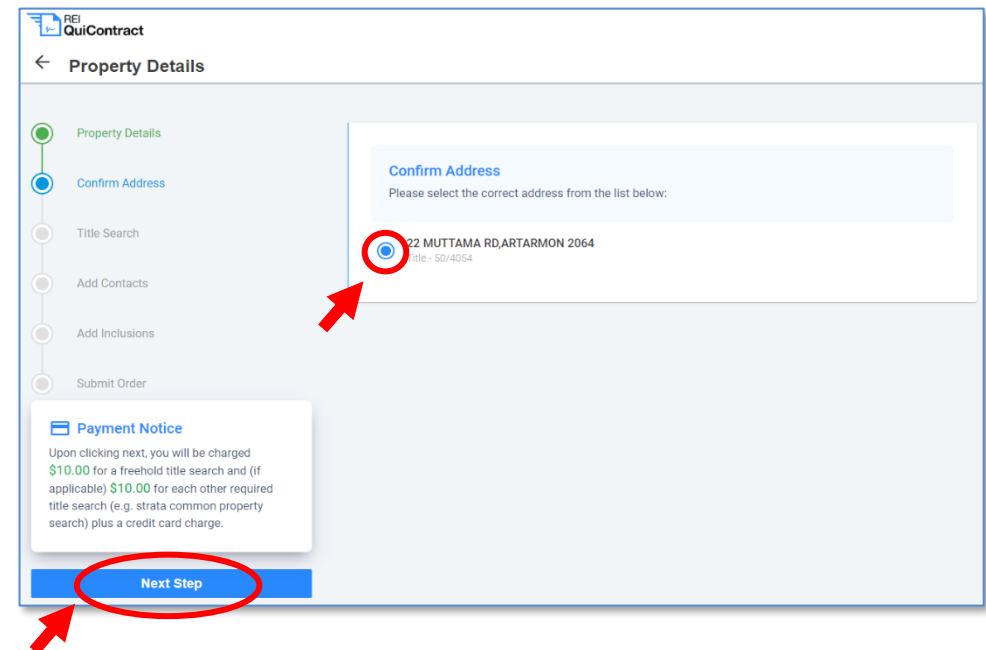

Enter the address and your matter reference (optional) then, click 

Tips

- If you are having trouble with a strata address, don't include the unit number. Insert just the building street address, and a list of unit numbers will then be displayed.
- If you receive an error, check the following:
 - Is the address numbered and spelled correctly?
 - Have you added the street "type" in the "street name" field? If so, remove the street type from this field.

- Did you enter the correct suburb? Complete a quick google search for the address to ensure the correct suburb has been entered.
- Did you enter the correct postcode? Complete a quick google search for the address to ensure the correct postcode has been entered.

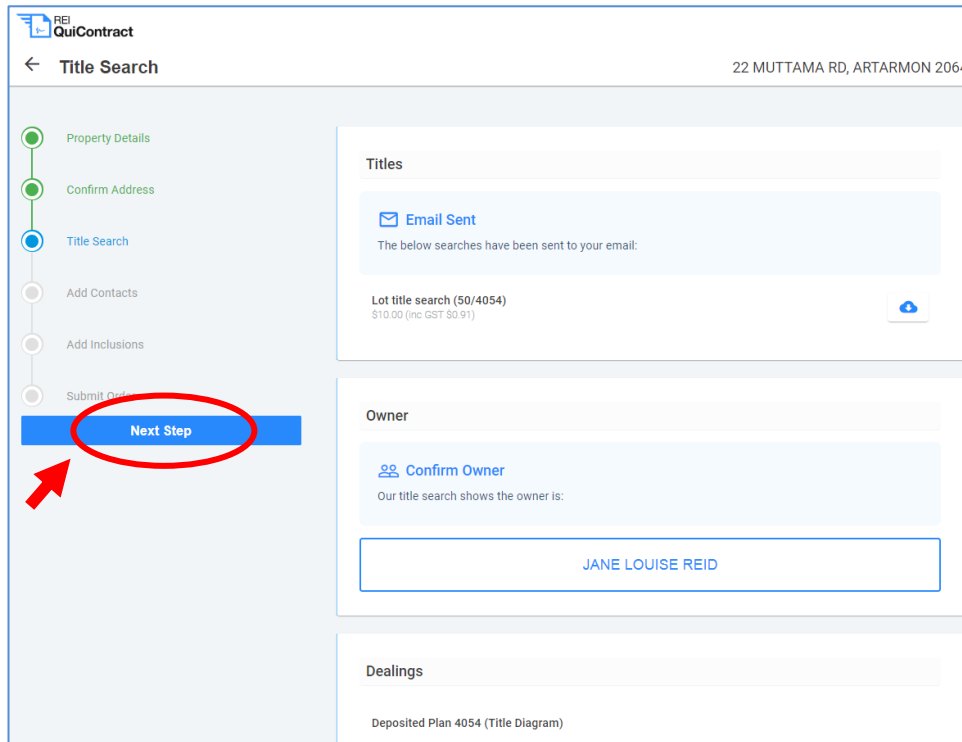

4.2 Select the correct address

Once you confirm the address and click  your credit card will be charged a title search fee of \$10 for each title required and the search results will be emailed to you immediately.

4.3 Receive title search

Title details will now be shown as follows on the title search page:

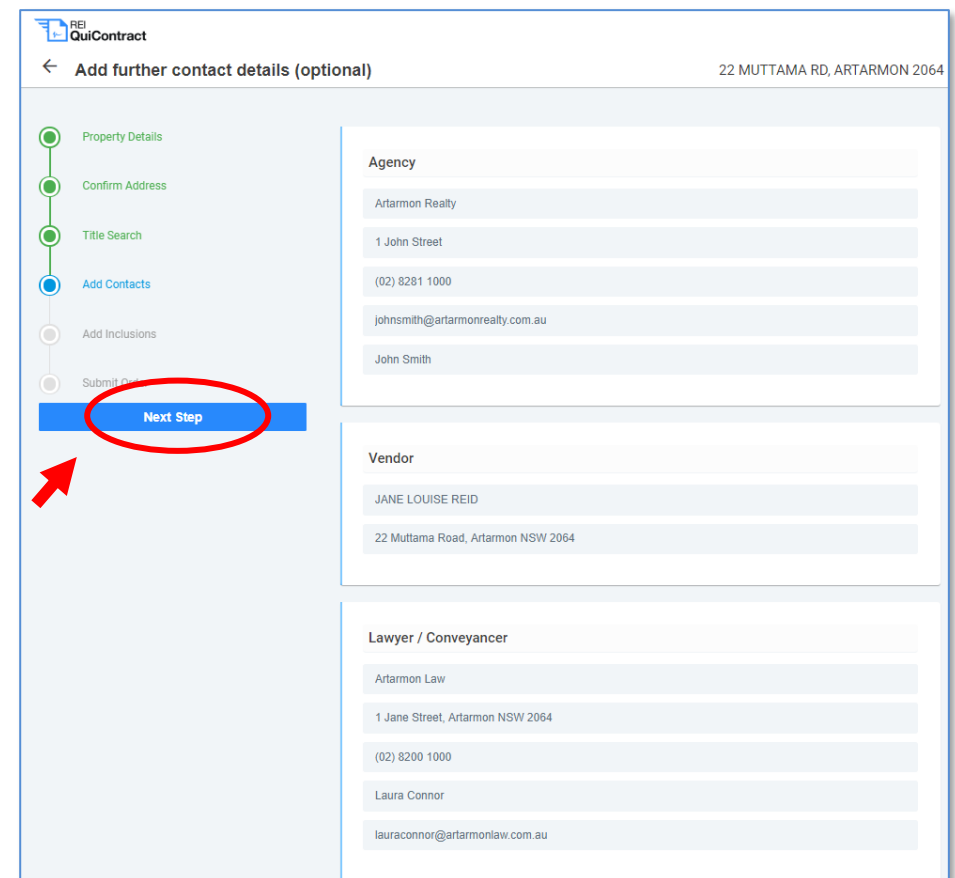

Then click 

5. Order sale contract documents

5.1 Add/alter sale contract contact details (optional)

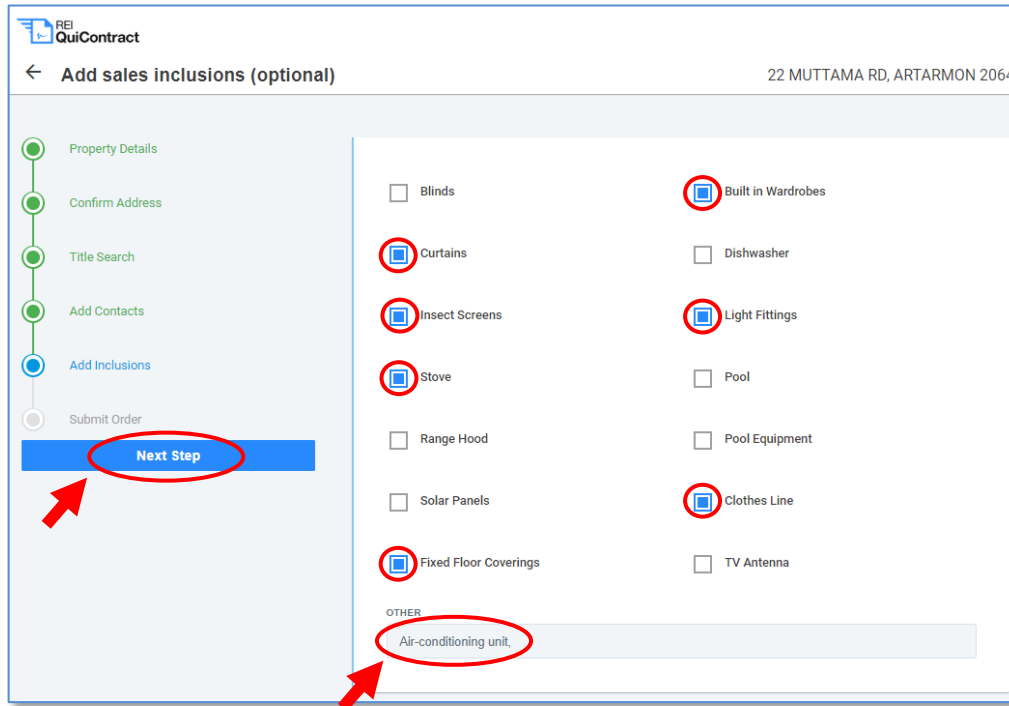

The next page displays what contact details will appear on the front page of the sale contract. You can alter your details and add the agency details and vendor address.

Then click 

5.2 Add sale contract inclusions (optional)

You can (but don't have to) select any of the specified inclusions for noting on the sale contract front page, and enter additional inclusions in the "other" box:

5.3 Select urgency option and additional certificates

Some councils offer an urgent delivery service for planning and sewer certificates. They charge a higher fee for that service.

If this service is available, the option will display as below:

Urgency Options

Please select from the urgency options listed below. Your total payment will be updated and displayed on the next screen.

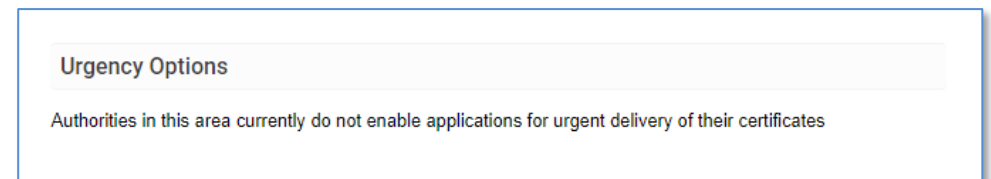

Planning NSW

Planning Certificate S.10.7(2) & S.10.7(5) Standard \$155.95

Planning Certificate S.10.7(2) & S.10.7(5) URGENT Urgent \$239.45

Note: If an authority is (or authorities are) listed above this note, they provide a faster service for a higher (urgency) fee. If 2 (or more) authorities are listed, and you order urgent service from one, we recommend you also order urgent service from the other(s).

If this service is not available, the option will display as below:

Urgency Options

Authorities in this area currently do not enable applications for urgent delivery of their certificates

On this page, you can also choose to order (if available from Council) a s.22D swimming pool compliance certificate.

If the client can't show that the swimming pool is registered or you otherwise doubt whether the pool is regulation compliant, we recommend that you DO NOT ORDER a s22D certificate but instead separately arrange a s.22C pool inspection.

Optional Searches

Please select any optional searches below. Your total payment will be updated and displayed on the next screen.

5.4 Review costs and order sale contract documents

You can now review the document order cost and select to use either your client's credit card or the registered card for payment.

(a) Using your client's credit card for payment

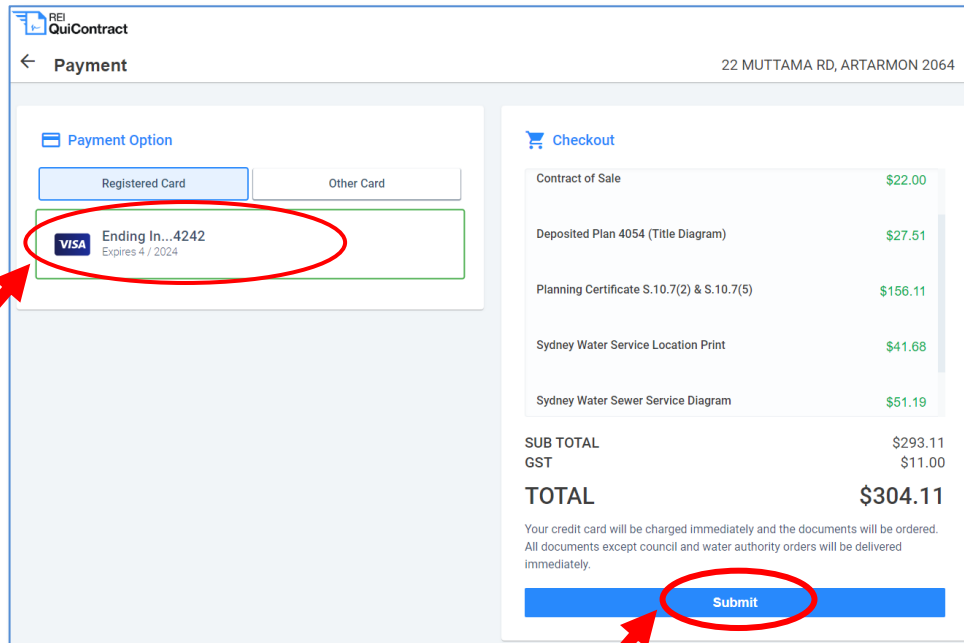

Click [Other Card](#) and enter your client's credit card details

then click [Submit](#) and the submitted order will be charged to the nominated credit card.

(b) Using the registered credit card:

Click the registered credit card.

then click

and the submitted order will be charged to the registered credit card.

5.5 When do you receive the documents

The following documents will now be delivered to you:

- (a) Within minutes - a standard printed NSW sale contract including a completed front page and all dealings registered on title;
- (b) Within one to five business days (dependent on local council efficiency) - the balance of the sale contract documents.

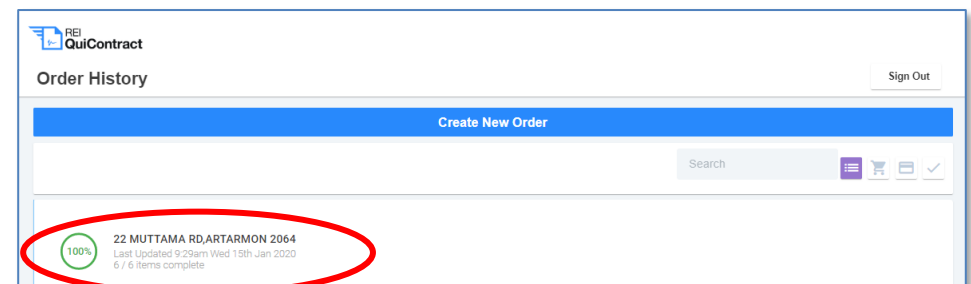

6. Downloading your sale contract documents

Your sale contract documents can be accessed in 3 ways.

6.1 Order history

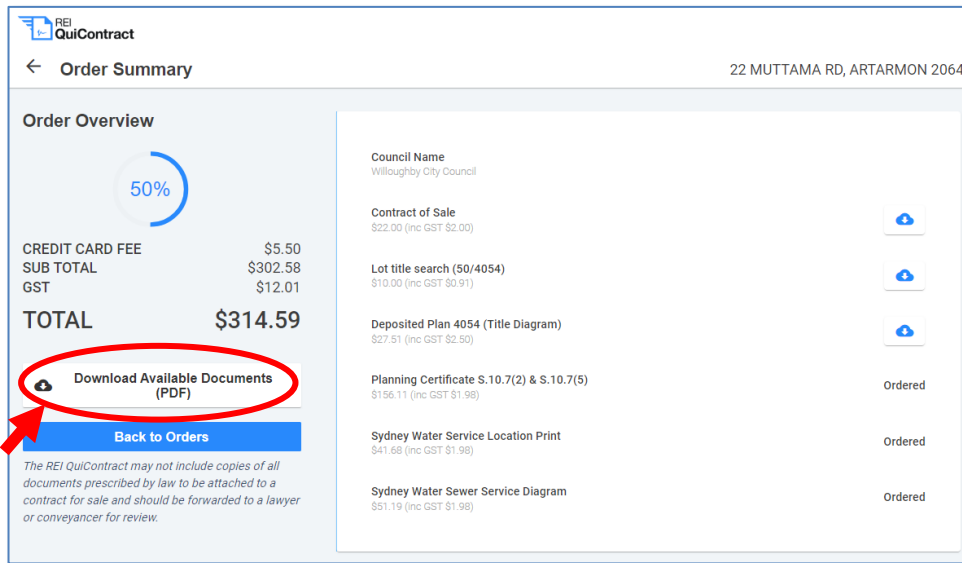

Login to your REI QuiContract account, and you can see your Order History.

Click on the sale property address and you can see the Order Summary showing the status of your order.

The REI QuiContract Team

If you have any questions, please go to reiquicontract.com.au/FAQs where we provide answers to most common problems. If your question is not answered in our website FAQs, please email us on help@reiquicontract.com.au or call us on 1300 057 875.

The REI QuiContract may not include copies of all documents prescribed by law to be attached to a contract for sale and should be forwarded to a lawyer or conveyancer for review.

The final email contains the full set of contract documents provided by REI QuiContract:

7. Does REI QuiContract provide all prescribed documents?

REI QuiContract supplies all prescribed documents other than Home Building Act documents.

If your client has a swimming pool, REI QuiContract will supply a s.22D compliance certificate but, if your client's pool is not registered or you otherwise doubt whether it is regulation compliant, we recommend that you DO NOT ORDER a s22D certificate but instead separately arrange a s.22C pool inspection.

REI QuiContract will significantly expedite preparation of a sale contract. REI QuiContract documents are supplied in collated contract form for ease of review and, at the same time, are also supplied individually to facilitate inclusion of any other requirements such as a home warranty insurance document and your special conditions.

If you don't have an Adobe PDF Editor software licence, we recommend you purchase it, because so many contracts are now being prepared electronically and this software makes it so easy to create, edit, add and collate PDF documents. If you don't have the software, just print the document out and work with it manually.

8. REI QuiContract benefits for you

(a) Avoid upfront costs

If the client or agent has already ordered the sale contract documents through REI QuiContract, you don't have to worry about obtaining search costs upfront from your clients or, worse still, wear these costs yourself until settlement.

If you order through REI QuiContract, you can request clients provide their credit card details and have the costs charged to them directly.

(b) Expedite standard searches

If the client or agent has already ordered the sale contract documents through REI QuiContract, you avoid this unprofitable time consuming exercise and get on with just the legal work.

If you order searches through REI QuiContract, you'll find the process easier than through any other search provider.

(c) Reduce risks of fixed fee quotes

Increasingly these days, you're expected to quote a fixed fee before a client commits to your services.

If the client or agent has already ordered through REI QuiContract, all the usual title searches and dealings are available to review before a quote has to be given.

If you order through REI QuiContract, you will (for a cost of just \$10 per title search) see how many dealings are required and how much it will cost to order them before committing yourself or clients to any further costs.

9. Helpdesk

Before contacting the REI QuiContract Helpdesk, please go to reiquicontract.com.au/faqs where we provide answers to the most common questions. If your question has not been answered on our website FAQs, please contact the REI QuiContract Helpdesk and quote the following in your request:

- (a) The property address for your order.
- (b) A brief outline of the issue you are having.
- (c) Your preferred method of contact.
